(Launch)

Real Experience. Total Protection.

Your Path to Placement: A 4-Step Process

Rules of Engagement: The Responsibility Matrix

	Student	Parent/Carer	Employer/MPLOY
Logistics (Travel & Times)	Arrange days/times with employer. Arrange transport and refreshments.		
Compliance & Conduct	Maintain absolute best behaviour (representing the Academy).	Disclose GDPR medical needs/conditions. Pay additional H&S validation costs for out-of-borough placements.	Hold valid Employer Liability Insurance (placement cannot go ahead without it).
Health & Safety	Listen to instructions, use safety equipment, never put self/others in danger.	Provide required Personal Protective Equipment (PPE) (e.g., safety boots, overalls).	Assess risks and notify the school. (Note: this is MPLOY's role, position accordingly).

The 'Three Keys' Protocol

You must find your own placement. This form is the only way to make it official.

Please be aware of the following

- It is the parents'/students' responsibility to arrange the days to be worked during this week as well as the start and finish times for each day.
- It is the parents'/students' responsibility to arrange the transport to and from the placements well as the refreshment arrangements
- It is the parents'/students' responsibility to provide any personal protective equipment which may be required e.g. safety boots, overalls etc.
- Due to GDPR, please ensure you inform the company of any additional needs and any medical conditions your child may have which may affect the placement in addition to completing the details on the attached form.
- As your child is representing the academy, we expect students to be on their best behaviour at all times and any inappropriate behaviour will be dealt with back in school according to our normal procedures.
- Unless the employers have the correct insurance, your child may not be able to go on the placement.
- Please note that there will be additional cost, payable by parents, for Health and Safety validation for out of borough/area placement companies.
